Application form

Project proposal

Title of the project

Summary of the project in maximum 3 lines

The project in 11 questions and answers

How did the idea for the project come about?

What is the objective of the project?

Are there any partners in the project, and if so which ones?

Does this project already exist or is it a creation?

Is this a unique project or is it replicable?

How many children will be involved and how will they be selected?

What is the timeline for the project?

How will you evaluate the impact of the project on the children?

What are the 2 (or more) senses implemented in this project?

Have you ever conducted an experiment in this area?

If so, can you describe it to us?

Is there anything else you would like to bring to our attention?

If so, which ones?

Application form
